

I am hereby registering my opposition to the weakening of Indiana's Telephone Privacy Law and ask that you have the FCC petition withdrawn immediately. I want my rights as a private citizen protected from anyone trying to solicit, even those with an "established business relationship", from having the right to call my home or cell phone. If I need assistance or want more information I will call them.

Please protect my rights to keep these businesses and organizations from contacting me with their unwanted solicitous calls.

Thank you,  
Terri Ranus
